

California Special Districts Association Districts Stronger Together

In the wake of the COVID-19 coronavirus, CSDA is working with our hotel partners to help ensure the health and safety of all attendees, staff, and speakers at CSDA events. If you are ill or have been exposed to the COVID -19 virus, CSDA is offering no cost cancellation until further notice. CSDA Professional Development Director Megan Hemming is in contact with each of the event facilities for our upcoming conferences regarding their cleaning and sanitizing procedures and other precautions. CSDA will continue to provide updates regarding CSDA events through social media and our weekly CSDA eNews as needed. Special districts may also want to refer to this guidance for employers from the <u>Centers for Disease Control and Prevention</u> (<u>(CDC)</u> regarding COVID 19.

Join your peers for these in-person professional development opportunities developed specifically for special districts by CSDA. Click on the title of any workshop below to see more information or to register.
