Subject: Letter of Interest for Water Board Position

Dear Board of Directors:

This is my letter of intent stating my interest in the vacant board position for the Burney Water District. I have lived in this district since 2002. I am currently employed as the manager of the Les Schwab Tire Center in Burney and am interested in this position to serve my community better. I have enjoyed the benefits of this special district as a homeowner and business person and want to continue the fine tradition of the Burney Water District in years to come.

Sincerely:

David D. Barry
